**Re: In the Matter of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

The United States is based on capitalism. We need choices and should not have any market interference by the government. Many of us have tried the big companies like Comcast and AT&T and it was simply too expensive, poor customer service & crazy fees attached. Please let competition live!!
